**DECLARATION
FOR
THEORETICAL CALCULATED
LIGHTING INTENSITY**

for

TEF 2650 Commander Searchlight 2000W Halogen.

By use of theoretical calculating of light intensity for
Tranberg TEF 2650 Commander Searchlight 200W Halogen as described above,
with Art. No. 2650415430,

we hereby declare that this searchlight, theoretical, is able to provide
an illumination intensity more than 50 lux in clear air,
within an area above 10 m diameter, to a distance of 250 m.

Stavanger, 5th August 2016

Terje Sørtun
Quality & HSE Manager
