Issued by Beneficiary:

## WARRANTY CERTIFICATE

Tranberg AS gives a general warranty on Tranberg products valid for 12 months from delivery date. These terms are according to the valid "Official terms of delivery", NL-01.

General the products will:

- (a) Confirm to the purchase order,
- (b) Be free from liens, claims and encumbrances,
- (c) Be free from failures or defects which may arise from defective design, materials or workmanship.

The warranty is based on that "The assembly- and maintenance instruction", and if relevant, "additional instruction and drawings/schemes", attached with the product, are followed and fulfilled, and does not cover damage caused by wrong installation, misuse or lack of proper maintenance and care. In addition, the warranty did not cover consumption material, as light bulbs, etc.
