

# TRANBERG® FLEXIBLE HOSE

TEF 7000 Flexible Hose For Mechanical Protection of Cables

Heat Trace Accessories

Flexible hose, Acid resistant stainless steel.

The rugged construction ensure excellent protection of cable inside.

## Application

- Protection of cold cables and heating cables

## Features and Benefits

- Hose is simple to cut in desired lengths
- May be combined with hose terminator (p/n 7000 059 - datasheet TPS 1038) to achieve proper end terminations and a swivel function

## Technical Data

Material:	Acid resistant stainless steel (AISI 316L)
Lengths:	2 meters and 25 meters
Diameter:	Outer: 22,3mm Inner: 18,8mm
Minimum bending diam.:	Appox.: 70mm
Conduit assembly:	Not watertight

Description	Weight	Part No.
Flexible hose, 2 meters	0,5 kg	7000 080
Flexible hose, 25 meters	6,2 kg	7000 081
